When: Saturday, April 1, 11:45am-3pm

Where: Geek Forest, Williamsburg, Brooklyn

How: Registration is mandatory as seating is limited! Register at: www.thegeekforest.com
Healthy snacks will be provided.

April Workshop: Imaginary Cities

Join the Octavia Project for an afternoon of science fiction and architecture as we create our own Imaginary Cities. We'll look at examples of imaginary cities in some of our favorite fiction, then design our own using the real-world tools of modern architects. Participants will leave the workshop with an idea for a science fiction story and a taste of the Octavia Project summer program.
